FIFTH ANNUAL

WE ARE HOME FILM FESTIVAL

2027 SPONSORSHIP OPPORTUNITIES

ABOUT THE WE ARE HOME FILM FESTIVAL

Thrive Central Oregon is a nonprofit that connects Central Oregonians to the resources they are looking for- and far and away the most significant resource people seek is affordable housing.

The mission of the We Are Home Film Fest is to share diverse stories that foster empathy in the Central Oregon community.

Our fifth annual film festival is approaching! Our spring 2027 event will be in April or May, showcasing short documentaries on this year's theme: *Together We Thrive: Strengthening Central Oregon.*

HOW TO JOIN THE MOVEMENT

Join us in uplifting the voices of those traditionally underrepresented by partnering with Thrive Central Oregon (TCO) as a We Are Home sponsor. Your company's partnership aligns your mission with ours - fostering support for housing and financial stability in our community.

Your financial contribution to the We Are Home film festival ensures that all costs associated with this free-to-the-public event are covered.
